

## **IMPORTANT NOTICE**

**Effective January 1, 2022, under the Indiana Law – HEA 1004-2020, Southpointe Pediatrics patients(parents) have the right to request an estimate of the amount the patient will be charged for a nonemergency medical service provided in our office. Southpointe Pediatrics is required to provide this information within five business days via mail or in person unless the nonemergency health care service is scheduled to be performed by the practitioner within 5 business days of the date of the patient’s request. For an estimate of your out-of-pocket expenses, please contact your insurance company.**

**For this request, please call our billing department at 317-887-3344.**
