

Southpointe Pediatrics Suggested Specialists

The following is just a guideline for referrals. You **MUST** check with your insurance to verify which doctor is in your network and where to go for the best coverage. Your insurance may give you other names where you need to go that aren't on this list. If you have questions please call our office and speak with one of our nurses. Thank you.

*****Please call our office and give 72 hours' notice with your child's appointment date, time, physician name and location, so a referral can be processed. If our office is not notified PRIOR to your child's appointment date, we do not guarantee a referral will be done, which may result in the specialist appointment becoming your financial responsibility.*****

Offices that accept Medicaid will have * listed next to them, still verify this information!

Referral to _____

Reason for Referral _____

Allergists:
